

Complaints and Appeals Policy

Strategy

The RTO will ensure that all grievances are dealt with in a timely and fair manner by utilising a mechanism to allow students and staff to submit a complaint through the Complaints and Appeals process. This mechanism is outlined within the Complaints and Appeals Policy and Procedure. A clear process for submitting a complaint is included within the Student Handbook and the Trainers Handbook.

1. Complaints Policy

Staff and students have the right to submit a complaint if they wish to express discontent against another person or a complaint against the RTOs process or system. In order to ensure that complaints are dealt with in a timely manner, we have implemented a complaints process.

This policy and procedure are relevant to all grievances arising in the following areas:

- a) Student wishes to raise a complaint against another student
- b) Student wishes to raise a complaint against the RTO
- c) Student wishes to raise a complaint about a Third Party
- d) RTO staff wishes to raise complaint about a Third Party
- e) Staff wishes to raise a complaint about another staff member or a student

1.2 Complaints Process

If a student, trainer or staff member is experiencing any difficulties, they are encouraged to discuss their concerns with Senior Management. RTO administrative staff will make themselves available at a mutually convenient time if a student wishes to seek assistance.

If a Student or Staff member wishes to make a formal complaint, they are required to complete a Complaints and Appeals Form, which is included in the Student and Trainers Handbook. Once the form has been completed, the form should be submitted to the RTO manager for actioning.

If required, the student has the right to have a third party/support person assist them through the Complaints Process, this may be due to language barriers or simply at the students' request.

Following is the process for managing complaints:

1. Formal complaint is received from the complainant to the RTO
2. If not already submitted with the complaint, a Complaints and Appeals Form is completed and submitted to the RTO Manager
3. A written acknowledgement of receipt of the Complaints and/or Appeal will be forwarded to the complainant following receipt by the RTO Manager within 5 business days
4. The Complaint is discussed with ALL parties involved in the grievance, and ALL parties are notified in writing of the complaint, which will ensure the requirements of natural justice and procedural fairness are met
5. Grievances must be kept confidential, in order to protect the complainants
6. All Complaints and Appeals Form are to be reviewed at the monthly Quality and Compliance Meetings.
7. The RTO Manager is to follow the process on the Complaints and Appeals Form for the process under "Recommended Action Required for Improvement".
 - a. An initial meeting is to be held within 10 business days
 - b. If further investigation is required, this should be completed within 60 calendar days

8. Each appellant:
 - a. Has an opportunity to formally present his or her case
 - b. Is given a written statement of the complaint outcomes, including reasons for the decision
9. If the Complainant wishes to appeal the Complaint outcome, the student can bring the complaint before senior management for resolution, agreeable to all parties.
10. If Senior Management is party to the grievance, they will not take part in any discussions or decisions made and the appeal will be referred to the CEO.
11. If a solution has not been reached to the benefit of all parties the complainant has the right to request a review by an independent party, who is not part of the RTO
12. The RTO is responsible for acting upon the subject of any complaint found to be substantiated.
13. Complaints and Appeals Forms received are to be entered onto the Complaints and Appeals Register
14. If the RTO determines that the complaint process cannot be finalised within 60 calendar days, the RTO Manager will:
 - a. Confirm this in writing to the complainant, including reasons why more than 60 calendar days is required
 - b. Will regularly update the complainant or appellant on the progress of the matter

Complaints and Appeals Forms are to be actioned by the appropriate staff member and filed into the Complaints and Appeals Register and a scanned copy saved onto the student file in the database.

All Complaints and Appeals Forms are to be reviewed during the monthly Quality and Compliance Meetings and improvements are to be identified and implemented according to the Policies and Procedures of the RTO.

1.4 Complaints and Appeals Form

A complainant can also contact the RTO to obtain a copy of the Complaints and Appeals Form.

1.5 Complaints Report Form

The Complaints Report Form is to be used if there is not enough room on the Complaint and Appeals Form to describe the complaint. This form is to be attached and submitted with the Complaints and Appeals Form.

Complaints and Appeals Register

The RTO has in place a register for filing completed Complaints and Appeals forms. When a complaint or appeal is received, the form collected is to be entered into the Complaints and Appeals Register and given a register number.

Complaints and Appeals that are placed into the register are reviewed and monitored each month at the monthly Quality & Compliance Meeting.

2. Assessment Appeals Policy

The student has the right to appeal on an assessment result if they believe that the result given was unfair or unjustified.

This includes Appeals arising in the following areas:

- a) Student disagrees with the result given by their Assessor (including Third Party)
- b) Student wishes to have their result reviewed by another Assessor
- c) Student wishes to be re-assessed for the same unit
- d) Student wishes to change the unit
- e) Student believes that they were discriminated against by the Assessor

2.2 Assessment Appeals Procedure

All students have the right to appeal any assessment decision made by the RTO if they:

- Believe that the assessment is invalid and/or
- Feel that the process was invalid, inappropriate or unfair

Before making an appeal, we ask that you discuss the matter with your Trainer/Assessor in an attempt to reach a decision.

If you are still not happy, you are then entitled to lodge a formal Appeal by completing an “Complaints and Appeals Form” within 7 days of the initial discussion. Once a formal appeal is lodged a new Assessor will be appointed in an attempt to resolve the appeal any decision recommended by this party is not binding to either party in the dispute.

If you are still not satisfied another registered training provider in the same curriculum area will be appointed to arbitrate and reassess participants if necessary.

You have the right to a support person to be involved at all times during the appeal process. Following is the process submitting an Appeal:

1. Student receives a result for an assessment task of which they do not agree with the result
2. Student completed a Complaints and Appeals Form
3. The Complaints and Appeals Form is submitted to the RTO Manager
4. A written acknowledgement of receipt will be forwarded to the Student confirming receipt of the Complaints and Appeals Form
5. The RTO Manager will consult with the trainer/assessor and student individually
6. The RTO Manager is to follow the process on the Complaints and Appeals Form for the process under “Recommend Action Required for Improvement”
7. An initial meeting should be held within 10 business days
8. The student will be advised of the outcome of this consultation process within 15 business days of the dispute being lodged
9. If it is decided that there is a case for review, a suitably qualified, independent assessor will be employed to conduct another assessment. An assessment date will be negotiated with the student. Following the assessment, the student will be advised of the result within 10 business days
10. If the student is not satisfied with any decisions made in this review process, a Review Board (which may include representatives from another RTO) will be convened to review the case again. An opportunity for Improvement Form may need to be completed in order to identify any improvements on the process that may need to be made
11. All Complaints and Appeals Forms received are to be entered onto the Complaints and Appeals Register

All Complaints and Appeals Forms are to be reviewed during the monthly Quality and Compliance Meetings. If the RTO determines that the appeals process will take more than 60 calendar days, the RTO manager will notify the student in writing including reasons why more than 60 days is required. The RTO manager will regularly update the student with the process.
